

S3 SPANISH CURRICULUM

Rationale and Curriculum Plan for S3 Spanish

BGE Modern Languages Curriculum

The Modern Languages Department uses unit work to build pupils' Primary School experiences, broaden their exposure of Modern Languages Experiences and Outcomes, and prepare pupils for Senior Phase progression.

- We promote teaching and learning approaches that ensure learners of all abilities can access these skills, to ensure every pupil in our lessons are able to achieve and make progress in each lesson.
- The Modern Languages curriculum is coordinated to build each year on what pupils have learned previously.
- Learning intentions in classroom work is clearly linked to the curriculum's core skills.
- Clear feedback in the department is designed to guide pupils in progression of these skills.
- It is our objective that all of our pupils have achieved their full potential by the time they leave our school.
